THE TOWNSHIP REGISTER, NILES, CALIFORNIA. FRIDAY, JANUARY 19, 1945

Number 3

AN AIR SERVICE COMMAND IN ENGLAND:—(Special to the Register)—Lt. David G. Patterson, the son of Mr. William D. Patterson of Newark, Calif., recently completed an orientation course designed to bridge the gap between training in the States and combat soldiering against the enemy in Germany.

Lt. Patterson attended a series of lectures given by veterans of this command which included instructions on chemical warfare defense and pertinent tips on staying healthy in a combat zone.

His next station will be one from which America's fighting planes cover our advance in Germany.

Marine Private First Class OLE-GARIO J. SOUSA, son of Mr. and Mrs. Manuel Sousa of Route 1, Box 406, Niles, has been awarded the Bronze Star medal for heroism in action during the battle for

Saipan last summer, the Marine Corps announced this week.

A member of the Fourth Marine Division, the 19-year-old Niles Leatherneck volunteered for dangerous patrols whose mission it was to destroy desperate Japanese units holding out in Saipan's caves and cliffs.

The medal was presented at an advanced American base in the Pacific.

Private First Class Sousa is a former student of Washington Union High School at Centerville and joined the Marines in January, 1943. He also took part in the conquest of Roi and Namur Islands in the Marshalls early in 1944.

Mrs. Harry J. Fontes of Niles, is waiting to hear from her husband, Sgt. HARRY FONTES, to get some idea of his location, now that he has gone overseas. He now has a New York APO number. The Fontes have a little 16 months old daughter, Harriet.

S1/c LIONEL GOULARTE is now "somewhere in the South Pacific," having left the mainland almost two months ago. In a letter home, he told of the hazing the boys went through as they crossed the equator—those who hadn't crossed it before, that is. Their initiation consisted of wacky haircuts, faces painted like Indians, and other minor forms of torture. Lionel mentioned the Christmas package he received through the Red Cross, how glad he was to get it, and that he was going to write to the donors—people who lived in El Cerrito.

S1/c GEORGE V. HICKS, son of E. B. Hicks of the Union Oil Company at Niles, is home on a 5-day leave. Upon return to his base at San Diego he will be assigned to a radio operators' school either in Chicago or San Francisco.

Pvt. RAYMOND OLIVEIRA, son of the John Oliveiras, is another boy who now has a New York APO number. Prior to his trip overseas, he was stationed at Camp Beale. His wife and baby daughter, Kathleen, are living in Salinas.

Flight Officer JOHN R. RICE, received his wings December 23 at Frederick Army Air Field in Oklahoma. After a 15 day furlough spent at the home of his parents, Mr. and Mrs. George Rice of Newark, he has gone to San Marcus Field in Texas for further training.

Cpl. WILLIAM OLIVERA of Niles was one of those who received unit citations for anti-aircraft defense on the Normandy peninsula. This is what a government release says about his outfit:

"As a result of their superior training, skill and coolness under heavy enemy bombardment and strafing, the units have claims for 61 Category 1, and 32 Category 11 enemy planes shot

TOWNSHIP BLOOD DONORS SURPASS LOCAL QUOTA

Once again Washington Township came through, and in such a way as to warm the hearts of our fighting boys overseas who hear about it.

At the last blood procurement day, Friday, January 12, the quota for the township was set at 160 pints, BUT, 175 pints were procured! And even more donors would have given had it not been for the fact that the supply of bottles ran out. This did not stop three of our donors, though. Determined to give blood, they used their own cars and drove to Oakland and gave blood. These three were Mr. and Mrs. William Chivers and Mrs. Wolf.

Seventeen more donors are now members of the Gallon Club, having donated their eighth pint last Friday. We have two more 11-time donors, G. E. Scamman of Irvington and Jeannette M. Koehling of Irvington.

Ten time donors are: Lawrence R. Leuvano, Decoto; William O. Ray, Oakland; Graham Smith, Oakland; and Clarence J. Pine, Niles.

Nine time donors are: William H. Rogers, Niles; John W. McPherson, Oakland; Dallas Pharris, San Jose; and Kittie McKernan, Niles.

Gallon Club: Carrie M. Scamman, Irvington; Pauline Alameda, Irvington; Mrs. Marjorie Young, Niles; S. T. Edmonson, Irvington; Theodore Ennis, Newark; Arthur C. Belshaw, Centerville; Arthur R. Santos, Centerville; Emmett Clark, Newark; Lawrence D. Duarte, Irvington; Bernie R. Joseph Decoto; Mary Lira, Niles; Aurora Lewis, Alvarado; Mary Young, Livermore; George Brown, Hayward; Edwin L. Glassbrook, Niles; Peter Del Grovodi, Niles; and W. F. Lamoreaux, Niles.

Seven time donors are: Delindo Duarte, Niles; Elva Martinez, Niles; Reynaldo G. Lira, Niles; Alfred R. Torres, Decoto; Carmen Martin, Decoto; Floyd Dickerson, Niles; Tony Duarte, Niles; Roy C. Springer, Newark; A. B. Christensen, Centerville; Dwight W. Brinton, Palo Alto; A. F. Kallen, Redwood City; Margaret Williamson, Niles; George Geib, Niles; George Goodale, Niles; Joseph E. Duarte, Newark; and John S. Rocha, Newark.

Sixth time donors are: Lt. A. C. Wadsworth, East St. Louis, Mo.; E. D. Meeker, Niles; W. C. Kitchings, Centerville; Louis J. Duncan, Newark; Jack Rees, Centerville; H. D. Fawcett, Centerville; Ida M. Rogers, Centerville; Delphine B. Soito, Centerville; Claire Lopez, Centerville; Olive Rabello, Decoto; Clara O. Garcia, Decoto; Belinda Caldeira, Newark; and Martha M. Barker, Niles.

Five time donors are: Anita Fracoli, Niles; Wm. Howard Plumb, Niles; J. B. Crawford, Niles; Patty Rose, Niles; D. T. Gregory, Niles; Arthur L. Steel, San Lorenzo; Dorothy Phillips, Hayward; Manuel Azevedo, Newark; Jessie Britten, Mission San Jose; Herbert Strub, Irvington; Gwen Goodale, Niles; Dwight Thornburg, Centerville; Mrs. Elsie Amaral, Centerville; Dominic Reichmuth, Centerville; Helen C. Rogers, Centerville; Marion McGuire, Niles; Mary C. Braun, Niles; and Alice R. Lee, Mission San Jose.

FUNERAL SERVICES FOR JOSEPHINE SANCHEZ

Rites were conducted January 15 by the Chapel of the Palms for Josephine Sanchez, of Niles, who died January 12. She was the wife of the late Frank Sanchez and is survived by daughters Carmen Locano, Niles; Dolores Thrasher of Los Angeles; Ann Garcia, Niles; and sons, Joseph Muncie, San Leandro; Joaquin Sanchez, Niles.

Mass was said at Corpus Christi Church, with interment at Holy Ghost Cemetery, Centerville.

down during the first nine days of operation. "During this outstanding anti-aircraft defense not a single defile, dam, or bridge was damaged by enemy air activity within the protected area. The high degree of efficiency of these anti-aircraft artillery units contributed immeasurably to the overall success of the Third Army operations by permitting an uninterrupted flow of vital traffic which was necessary for the rapid advance of this command."

RACE NO BASIS FOR JUDGMENT, SAY FORUM SPEAKERS

Persons of racial minority groups—Orientals, negroes, Jews and all others—should be considered as individuals and not as types. This was the consensus of those who attended Wednesday evening's panel discussion held at Washington Union High School.

Emmet Roberts conducted the well-attended discussion and was assisted by Jack McDonald, who spoke from the employer's viewpoint; Carl Mohn, who gave the viewpoint of labor; and L. R. Batman, who told of the attitudes of newspapers toward minority groups.

Accent was given to the discussion by the fact that Japanese are returning to Washington Township. The panel was concerned about the acceptance of these returning Japanese.

Roberts argued that distinctions should not be made on the basis of skin color or other racial characteristics but that a man should be regarded as a man.

McDonald stated that employers are trying to find how members of racial groups can best be fitted into industry so that they may avoid normal prejudices of white employees.

Speaking from the standpoint of labor, Carl Mohn stated that in his experience race makes slight if any difference in workmanship.

Batman, speaking from the newspaperman's viewpoint, stated that racial minorities do not get uniformly fair treatment from all newspapers. Racial prejudices are accentuated by some publishers, and in practically all newspapers mention of race is made when reporting news concerning members of minority races.

Jack Rees, substituting for Miss Grace Knoles who was absent because of illness, stated that in California, schools make no distinction between races, that a negro or Japanese in this state gets as good a public school education as a white child.

GOOLD, BRISTOW NAMED HEADS OF MARCH OF DIMES

The annual appeal for funds and March of Dimes campaign got under way this week under the leadership of James H. Quinn, chairman of the Alameda County Chapter of the National Foundation for Infantile Paralysis, under whose auspices the drive is conducted.

In Washington Township, the campaign is headed by J. V. Goold and E. D. Bristow and a committee appointed to continue the drive, until January 31.

Last year the county-wide appeal resulted in a total collection of \$96,802.71, and was used to finance a program of treatments for polio victims by physiotherapists trained and employed with locally collected funds. The program also included purchase and distribution of wool used in the Kenny treatments, purchase of braces and orthopedic appliances, and transportation of infantile paralysis victims to and from hospitals and clinics.

LIONS HAVE LADIES' NIGHT

Centerville Lions, their wives and their guests will assemble at the Women's Country Club on Saturday evening, January 20, for their Ladies' Night.

Lion Walter Connolly, general chairman, states that a delicious dinner will be served by the ladies of the Country Club. Lion Tony Petsche, program chairman, promises some real entertainment.

Overseas for the past three years, and in hospital since September, Machinist Mate 1/c LAWRENCE FURTADO has been brought back to this county and is at the Navy receiving hospital near Brisbane awaiting assignment to some other hospital for observation and treatment. His hospitalization is due to illness contracted overseas.

Furtado was a radar machinist prior to his illness and was stationed at a submarine base in the Hawaiian Islands. He transferred to this job from diesel machinist.

Furtado is a graduate of Washington Union High School and prior to his enlistment operated a gasoline service station at Irvington. He is the son of Mr. and Mrs. J. S. Furtado of Centerville.

LIGHTING PLAN WINS

TOWNSHIP ZONING TO COME UP FOR PUBLIC HEARING

Another success came yesterday to reward the Washington Township Planning Committee for its labors when it was announced by Secretary Wallace Boggs of the Planning Commission of Alameda County, that a hearing will be held at the court house in Oakland on February 6 at 3:15 p.m. on the matter of zoning Washington Township.

All persons interested, either favoring or opposing zoning, may be heard at this meeting, formal announcement of which is being made by publication of a legal notice in this issue of The Register.

The hearing is being held following petition by the Washington Township Planning Committee to the board of supervisors asking for zoning as a means of controlling growth of the township area along sound, orderly lines.

Principal matter to come before the February meeting will be the proposal for adoption of a "land use plan," under which future uses of land adjoining land in present use will be controlled for similar uses.

CAPTAIN, COACH HONORED AT FOOTBALL DINNER

"A swell time" was the unanimous verdict on the annual high school football dinner held last Tuesday evening.

Turkey and apple pie were features of the dinner served by the P.T.A. ladies. Mrs. Calhoun, president, headed the arrangements and was assisted by Mmes. Belding, Halliday, Robinson, Mohn (of Niles), Benbow, Mohn (Irvington), Rose, and Mrs. Josephine Morris and Mrs. Norah Rogers of the high school. Members of the Girls W Club, Shirley Alameda, Shirley Marriott, Charlotte Janeiro, Gertrude Gastelum and Velma Telles served the guests.

Wayne Calhoun, toastmaster, received a surprise from his teammates in the form of a gold football. He has served well as captain during the past season. Coach Hird was also surprised with a handsome identification bracelet from the boys.

John Bunn, Stanford University's dean of men and main speaker of the evening, talked absorbingly on physical fitness and qualities of leadership.

M. J. Overacker spoke for the board of trustees and commended the boys on their fine spirit. Mr. Overacker has seen at least one game every season since football began at Washington Union High School and cited this year's season as one of the best in the school's history.

CLARENCE FRAGER SUCCUMBS TO HEART ATTACK

Death came this week to Clarence P. Frager, 41, well known throughout Southern Alameda County for several years for his work in rodent extermination. A resident of Pleasanton, he was the head of the rodent department of Alameda County Department of Agriculture for the past four years.

At the time of his death he was driving to his office at Livermore, suffering a heart attack, he lost control of the car and it veered off into a culvert. A passer-by called an ambulance but by the time it arrived he was pronounced dead. He is survived by a wife and daughter.

FUNERAL RITES FOR M. GARCIA

Funeral services were held January 16 for Maclovio Garcia, a resident of Decoto, age 51.

A native of Mexico, Garcia is survived by several brothers and sisters. Mass was observed at Corpus Christi Church, Niles, with interment at Holy Sepulchre Cemetery, Hayward.

Supervisors Adopt Measure Giving Brighter Illumination To All Township Streets

The Board of Supervisors of Alameda County yesterday passed unanimously an ordinance granting improved street lighting to Washington Township.

Action of the board was in response to a petition presented by the Washington Township Planning Committee, which represents the Niles Chamber of Commerce, Centerville Lions Club, Niles Rotary Club, the Alvarado Chamber of Commerce and the Newark Chamber of Commerce.

WILLIS MYRICK MEETS DEATH IN BELGIUM

The Register with deep regret takes another one of its overseas subscribers off its list, with the announcement last Saturday that Pvt. Willis "Bill" Myrick, had been killed in action in Belgium, December 30.

Myrick, the son of the C. N. Myricks of Centerville, was with the All-paratroop Engineering Battalion. Overseas for one and a half years, he was only 21 years old, when he met his death. He was a graduate of Washington Union High School with the class of '41 and is survived by two brothers, also in the service: Sgt. Charles Myrick, in France, and S2-c John Myrick, presently stationed at Camp Parks.

HERE'S YOUR CHANCE TO GET RID OF OLD RAGS

The armed forces and war production plants need rags. Badly. The Niles P.T.A., therefore, has taken upon itself to help alleviate this shortage by conducting a rag drive, beginning Monday, Jan. 22, and ending Friday, Jan. 26.

School children will be given bags to take home, which mothers should fill with rags—any kind of rags—and return by the child. If you don't have a school child in your home and would still like to get rid of some rags, you can leave them at the school building.

Practically all rags collected today are being used for essential war purposes. The armed forces and war production plants, in fact, are demanding more wiping cloths than the industry can provide. Due to the shortage of rag pickers and junk dealers in general, it has been found impossible to gather a sufficient supply of all types of rags to meet the increasing requirements. For obvious reasons, imports from overseas are negligible. Inventories are diminishing at an alarming rate.

All types of rags are needed. Nothing of cloth should be thrown away.

FUTURE FARMERS START WORK ON GREENHOUSE

Future Farmers have begun construction of their long dreamed of greenhouse on the high school grounds in Centerville. The cost of the greenhouse will be met by a bank loan underwritten by the board of trustees. The boys expect to repay the loan this year through the sale of plants started in their greenhouse.

Construction of the project will be directed by Ross Brown, agriculture teacher, and W. Andrade, school gardener.

50 PER CENT GAIN IN NEWARK SUNDAY SCHOOL

"The Marks of a Good Sunday School" will be the theme of the 10 o'clock services at the Newark Presbyterian Church next Sunday. The recent effort to increase the Sunday School attendance made a 50 per cent gain, so the teachers are trying to be the best possible. Mr. Brown has planned his sermon to aid his teachers.

Sunday school meets at 11 a.m. and Christian Endeavor at 7 p.m. There will not be an evening service this week.

MORE TOWNSHIP BOYS GO INTO MILITARY SERVICE

Uncle Sam is dipping farther down into the barrel of man power in Washington Township, according to figures released by the Selective Service board this week. Already 11 have been inducted so far this month, with the number expected to go higher before the month is over. Those who went into the army are: LaVern Elmer Avilla, Niles; Jose Garcia Alvarado, Decoto; George Edward Servos, Sunol; Clarence Costa, Irvington; Robert G. Duran, Decoto; Louis Leroy Dutra, Alvarado; Clarence A. Gomes, Niles; Arthur Joseph Sa, Niles; Joseph John Machado, Jr., Newark; Joseph Aguiar, Newark; One boy went into the navy, Rosendo Herrera, Centerville.

JOE OLIVERA LISTED MISSING IN ACTION

"Missing in Action". Those were the dread words that came to Mr. and Mrs. Alexander Olivera, Symamore Street, Niles, last week concerning their son, Pfc. Joe Olivera.

The family received the telegram January 12; but he had been listed as missing since December 16. Only last Wednesday they received a letter from him, dated December 12. He was in Germany. Olivera attended the Niles Grammar School and Washington Union High School. Prior to his enlistment in the army, he was an employee at Kraftite. He has many relatives throughout the Township including his sisters, Mrs. Jerry Rebello of Niles, Mrs. Leonard George of Centerville, and Mrs. J. F. Martin of Niles; three brothers, M. Olivera of Niles, Cpl. William Olivera, now in Germany, and Pfc. Moses Olivera, in Luzon, and a niece, Mildred Olivera, employed at Duarte's Food Store in Niles.

J. A. MCDONALD GIVES TALK IN S. F.

J. A. McDonald of the Kraftite Co. spoke Tuesday evening at a meeting of the California Personnel Management Association at the Engineers' Club in San Francisco. He was one of a panel consisting of the Directors of the California Personnel Management Council which discussed the subject, "What's Ahead in Personnel Management."

Keynote of the talks was that 1945 will see continuation of last year's personnel problems with no let-up in sight. Much serious discussion centered also around the anticipated dislocation of industrial workers in this area after the war.

MANUEL MELLO PASSES IN CENTERVILLE

January 10 saw the passing of Manuel Mello, son of the late Mr. and Mrs. Joseph Mello.

Mell, 57, was a resident of Centerville and a native of San Francisco. A sister, Mrs. John Cambra, lives in Decoto.

Services were conducted at the Berge Mortuary Company in Niles, thence to Holy Ghost Church, Centerville, where a mass was said. Interment was a Holy Sepulchre Cemetery, Hayward.

Representing the township planning committee at the supervisors' meeting yesterday were President Jack Rees, A. J. Petsche and L. R. Batman. Also active in working to secure better lighting has been Edward E. Enos, secretary of the planning committee.

The better street lighting program was initiated by the Washington Township Planning Committee last year soon after the committee's formation in August. H. H. Robison, illuminating engineer with the Pacific Gas and Electric Company, surveyed township lighting and recommended increasing candlepower of all township lights to a minimum of 250-candlepower and a maximum of 600-candlepower.

Robison's recommendations were approved by Romaine Myers, consulting electrical engineer retained by the supervisors, and by Wallace Boggs, county surveyor, before acceptance by the supervisors.

At yesterday's meeting motion for adoption of the plan was made by Supervisors Chester E. Stanley. Sole point raised against the improved lighting was made by Supervisors Jansen of Hayward, who stated that the board would be setting a precedent which would result in demands for better lighting from other unincorporated areas. However, the other supervisors were unpersuaded by Jansen's argument and the proposition passed.

Increased cost of the greater-candlepower lights will amount to \$240.20 per month. Present lighting cost is \$294.10; the increase, added to this, will make the total cost to the county for lighting the township \$534.30 per month. All lights in the township at present are 100-candlepower.

Detail of the lighting improvements to be made are:

Alvarado: Increase 16 lights to 250-candlepower.

Centerville: Increase 15 lights to 600-candlepower and 14 to 250-candlepower.

Decoto: Increase 13 lights to 250-candlepower.

Irvington: Increase 8 lights to 600-candlepower and 13 to 250-candlepower.

Mission San Jose: Increase 6 lights to 600-candlepower and 14 to 250-candlepower.

Newark: Increase 11 lights to 600-candlepower and 19 to 250-candlepower.

Niles: Increase 10 lights to 600-candlepower and 28 lights to 250-candlepower.

Warm Springs: Increase 6 lights to 600-candlepower.

The local P. G. & E. office states that the utility company will immediately proceed with matters of priority as soon as notification to make the changes is received from the supervisors. How much delay can be expected due to the necessity for priorities on transformers and fixtures is uncertain.

President Jack Rees of the Washington Township Planning Committee spoke in high praise of Supervisor Stanley for his support of the lighting plan.

"These improvements in street lighting in our township have been needed for years," Rees said. "Supervisor Stanley has made a fine start in office by helping to secure these improvements."

Wha Shall We Have For Dinner?

This week's recipe contributed by Mrs. Frank A. Fields of Niles. It's the dressing that makes the salad. This is an old bromide that will bear repeating this week, because we have a salad dressing for you that can be described best by saying it is "scrumptious." It is a dressing that is different, perhaps, than any you have ever used. Yes, it DOES take a little more time and effort, but the results are well worth it, and the compliments you will receive on it will set you right up on a cloud.

The recipe was contributed by Mrs. Frank A. Fields, who is known far and wide, not only for

her war work, but for the fact that when it comes to cooking, she has few peers. Mrs. Fields is a Nurse's Aide, which means that her time is valuable. Therefore it behooves her to use her time to the best advantage, meaning, in this instance, to find a good recipe, then use it, not wasting precious time in searching through her recipe book for "something different" every time dinner guests are expected.

This French dressing can be made ahead of time and stored in the refrigerator, which is an added attraction. The ingredients are as follows:

- 1 pint vinegar
- 3/4 cup sugar
- 1 1/2 tbsps. cornstarch
- 1 cup powdered sugar
- 4 tsp. salt
- 2 tsp. paprika
- 1/4 tsp. mustard
- Pepper
- 1 cup catsup
- 1 1/2 tbsps. worcestershire sauce
- 1 pint olive oil

Boil the vinegar, granulated sugar and cornstarch together for 5

minutes. Allow to cool.

Put powdered sugar, catsup and seasonings in bowl of electric beater (you can beat by hand but it takes longer) and mix well, then add oil very slowly, while beating constantly. When all the oil is added, add the first mixture one tablespoonful at a time, beating constantly.

Pour into a quart jar and store in refrigerator. It's good for about two months—if you keep your friends from "borrowing" it!

Mrs. Fields usually serves this dressing over a green salad, lettuce chopped on a salad plate, with diced celery and avocado, bits of chopped green onion, and wedges of tomatoes or pickled beets. It is the sort of salad you can serve with any type of entree.

Ore mined in the Panmint Mountains in California in the last century, although shipped hundreds of miles over the desert and then to England, returned a substantial profit to the miners.

UNION SUNDAY SCHOOL PLAN

At a joint meeting of the St. James Episcopal Church and the Centerville Presbyterian Church, a new plan for the Union Sunday School was devised. This new plan, which is outlined below, will be put into operation on the first Sunday in February.

The new arrangements will leave the present Primary Beginner department as it is, except as to a change in time. At the present time, this department meets at the St. James Parish Hall under the leadership of Miss Mary Van Winkle. This department includes all children up to and including those in the Third Grade. Whereas this department has met at 11:15, starting February 4, it will meet at 10:15, still at the St. James Parish Hall, at the Episcopal Church. All children that are included in this group are urged to join with those already in attendance each Sunday morning.

The children from the Fourth Grade up, including the Young People of High School age, will find classes in either the Episcopal Sunday School, or at the Presbyterian Church, depending upon their own choice.

The Episcopal children will be under the leadership of Mrs. L. E. Bailey and Mrs. H. T. Granger. It will also meet at 10:15, at the Episcopal Church.

The newly organized Presbyterian Sunday School for children of the Fourth Grades and up will meet at the Centerville Presbyterian Church at 10:15, under the leadership of Mr. and Mrs. Robert Ware. There will be classes for Junior age, Intermediates, High School, Young People and Adults.

The children and young people of Centerville are urged to attend one of these groups that has been set up for their convenience. This new plan has been proposed with the hopes that there will be more of an opportunity to reach the Protestant children of the community.

Dear Mrs. Batman:

Being just a teen-ager perhaps I should be seen and not heard, but I believe I've something on my mind that should be talked over.

I have been wondering, for quite a while why it is that Niles doesn't have a "teen-agers" club. A place where kids could go and dance, have games, and gather and gossip a few nights a week. A lot of high school students have been toying with this idea but we can't seem to get together on how we should go about it. We all have heard a lot of stories about juvenile delinquents. The blame is usually put on the so-called "irresponsible kids." Don't you think if we had such a place to go, have it furnished with a juke box, candy machine and coke machine and maybe a ping-pong table and games on the side we'd be a lot better off?

If somebody could suggest a place, or if someone would be kind enough to donate an old shack or something, the kids could get together and fix it up swell.

A lot of us are getting a little tired of being looked at queerly if we are standing in a group just talking on a street corner. I'll admit it looks like we're delinquent but can we help it if there is no place to go to enjoy ourselves and talk over the latest gossip? The street corner is the only place for a crowd of us to get together.

We wish you could see what you could do for us.

Thanks a lot,
"Just a teen-ager"

Dear "Just a Teen-Ager":

You have certainly hit the nail smack on the head. There has been a sad lack of recreational facilities in this township for teen-agers. The kids know what they need; but they haven't received much encouragement from the adults. Yet it is the adults who scream to high heaven about the "downfall of youth."

Now that you have brought the question up for an airing, let's see how some of our business people and good townsmen accept the challenge. As you say, any old shack would do, if the teen-agers would be willing to fix it up, which they WOULD be, or we don't know teen-agers. Perhaps, too, you might enlist the services of an older person to act as senior host or hostess; for a kindly, understanding adult is a mighty handy person to have around to offer suggestions and help solve problems.

Let's sit tight, Teen-Ager, and see who will come forth with an offer of assistance to you young people. Somewhere in this township there must be a public-spirited individual who knows the value of having happy, contented young people in the community, and who is willing to do something to make them happy and contented. We'll all be forever grateful to the person, or persons, who come forward now with their offers of help.

I'll be hoping, along with you, Teen-Ager, that our townpeople don't let you young folks down.

Eye-opener recipes

RICE CAKES
2 cups cooked rice Pepper Shortening Salt

Beat eggs slightly; add rice; season with salt and pepper to taste; mix with fork. Melt shortening in moderately hot frying pan; drop rice mixture into hot shortening by tablespoonfuls; fry until golden brown turning once. Serve with heated syrup. Makes 12 small or 6 large cakes.

FRIED MUSH
4 cups water 1 tsp. salt 1 cup corn meal

Bring water to boil in top of double boiler over direct heat.

Add salt. Add corn meal gradually, stirring constantly. Cook 5 minutes, stirring constantly.

Place over boiling water; cover. Cook 30 to 40 minutes.

Pour in dampened mold or bread pan. Let stand several hours.

Unmold and slice in 1/2-inch-thick slices.

Fry in hot shortening until golden brown. Serve with syrup. Serves 6 to 8.

LITTLE HINTS FOR EASY BREAKFASTS

Cereals may be measured out the night before, ready to cook upon the addition of water. When cooked in milk they have added nutritional value as well as a different flavor.

Using brown sugar instead of white on cereals gives them a new flavor. Molasses for sweetening is very good, and if eggs are scarce, it helps make up for the iron we would normally get from them.

A crispness and added flavor is given to ready-to-serve cereals if heated in a moderate oven (375° F.) a few minutes before serving.

PANEL DISCUSSION AT HIGH P. T. A.

A panel discussion by a group of students was the highlight of the regular monthly meeting of the W. U. H. S. P.-T. A. last Thursday evening. Clifford Rogers, chairman, presented Gayle Maphet, Clayton George, Bernice Perry and Rosemary McDonald, who discussed the subject, "How Can Youth Best Serve Your Community."

Mrs. Calhoun announced plans for the annual football dinner, held on Tuesday evening, January 16. The P.T.A. assumed the responsibilities of cooking the dinner.

Wednesday, April 4, was tentatively set as a date for a card party. Mrs. Mohn and Mrs. G. E. Scramman will act as co-chairmen.

The P.T.A. is very proud of the students of the High School. They went over the top in the 6th War Loan Drive by selling over \$18,000 worth of bonds.

REV. GRABILL IS GUEST SPEAKER AT DECOTO

By Elsa Walker

The Decoto Discussion Group met at the home of Mrs. Elsa Walker, January 4, for the Bible meeting of the year. Luncheon was served at noon by the hostess, assisted by Mrs. Amy Brown. After the luncheon, the program of the month, the latter half of the life of King David, was taken up by the leader, Mrs. Amy Brown. A discussion of the dramatic and spectacular scenes in the life of this great Israelite warrior, king, poet, and statesman was in progress when the very welcome arrival of the Reverend Grabill of Niles saved the day. His most interesting and valuable sketch,

Mayers Attend Farewell Dinner

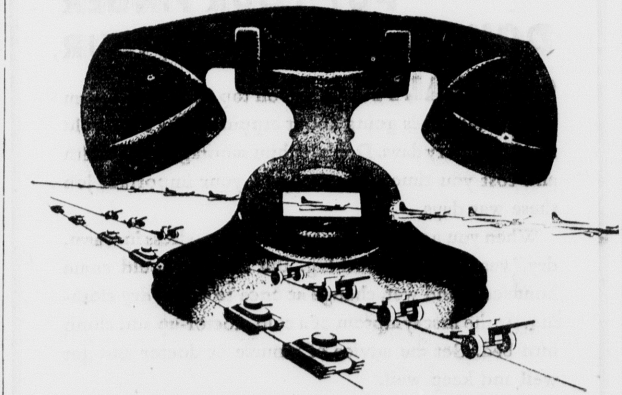

Mr. and Mrs. L. A. Mayer of Niles attended a farewell dinner in San Francisco Saturday at the home of the Frank Buelins in honor of Lt. William Huber, who was expecting to put out to sea again. "Lt. condensing the many confusing incidents of the Bible story into a clear, vital, and easily remembered resume was the very thing needed to coordinate the vague and incoherent impressions of those present into a definite picture of the man and his time. Coming so soon after the holidays the January meeting is always a difficult one for which to prepare and Reverend Grabill's contribution and his kindly personality were very much appreciated at this time. Mrs. Fred Duffie of Niles was a guest.

The next meeting will be in charge of Mrs. Katherine Goularte. The subject is travel and Mrs. Goularte has chosen, "Grandmother Drives South," by Constance Jordan Henley. This will be a no-hostess meeting and will be held in the Walker Sunroom. A pot luck luncheon will be served.

45-VOICE CHORUS FOR HIGH VODVIL

The 1945 Vodvil of Washington Union High School to be presented on February 2 will feature a variety of vocal music. A 45-voice chorus under direction of Mrs. Doris Van Scoy will present popular music of North and South America.

A sextette of freshman girls has been formed and will make its debut. The group includes Beverly Figuerido, Yvonne Caldeira, Laverne Howey, Victoria Lopez, Joyce Bryson, and Rosalie Rogers. A second sextette composed of Barbara Ramos, Betty Rose, Yvonne Tremblay, Betty Brandt, Pat Owen and Betty Ives will offer "Siboney." Both sextettes are directed by Dwight Thornburg. Other vocal features include "La Golondrina" in duet arrange-

ment by Betty Brandt and Barbara Ramos; "Estrellita," with Pat James as soloist; "Don't Fence Me In," sung by Wayne Calhoun with Alden Chamness providing a whistling accompaniment, and "Amor," by Alvin Lewis.

Soloists whose true identity have not been disclosed will be "Frank Sinatra," "Carmen Miranda," "The Andrews Sisters" and "Jo Stafford."

WASHINGTON HIGH TRIUMPHS OVER MT. VIEW FIVE

Washington High threw its hat into the ring of the Santa Clara Valley League varsity basketball race Friday night, January 12, by taking a surprisingly easy 42-28 victory over Mt. View after dropping a last minute 31-29 lightweight affair.

The Washington Varsity came from behind a 19-18 at half-time to win easily by unleashing a furious fast-breaking attack which set the Mt. View team back on its heels.

Washington was paced by Wayne Davis, scoring 24 points for a new season high.

Teammate Albie Silva accounted for 11 points while Mathies, Belloma and Bill Marvin all scored eight each for Mt. View.

Mt. View won the 130 game as Vajovod stepped to the foul line in the final 10 seconds and dropped two shots through the hoop to break a tie score.

WARD OFF WINTER COLDS—
but don't WASTE fuel

PUT YOUR FINGER DOWN ON THIS SABOTEUR OF HEALTH

Keep on top of the "flu" germ this winter. He is going about nipping folks these cold and wet wintry days. Don't let him sabotage your health and cost you time and money on your important job these war days.

When you go out of doors this winter—dress in warm, dry, weather-type clothing. But if you should come home cold and wet, change at once to warm dry clothing. At the first symptom of a cold, doctor-up and climb into bed. Get the advice of a nurse or doctor and get well and keep well.

It would be a good idea, too, to see that your home heating equipment is working efficiently and economically. Use heat wisely. Do not overheat and waste fuel. Keep windows and doors and fireplace openings closed to prevent heat loss.

choruses to be heard in opera literature. The stirring "Anvil Chorus," "Home to Our Mountains," prison scene and "Miserere" are but a few of the familiar and loved songs. Elda Ercole, Tandy MacKenzie, Marie Powers, Stephan Ballarini and Harold Kravitt are excellent principals, with chorus, ballet, and orchestra conducted by Nicholas Rescigno.

"The Merry Widow" on January 28 in San Jose is drawing capacity audience, while the Ballet Theatre with its Russian Ballet program in "Swan Lake," "Pas de Quatre," "Tally-Ho" and "Fancy Free" is attracting ballet lovers in another full house for Monday night, February 5.
